

BRENDAN GEER

INSTRUCTIONAL DESIGNER

brendangeer.com

INTRODUCTION

As a polyglot that has lived in many countries and experienced numerous training and teaching styles, Brendan's polyvalence and flair for differentiation are key assets to every e-learning experience. Just as learning languages requires an aptitude for analysis and thinking out-of-the-box, Brendan has become proficient in problem-solving and intercultural competences.

Invested, passionate, and motivated, Brendan matches your business problems with relevant and effective solutions.
